The Honourable Patty Hajdu, P.C., M.P.  
Minister of Indigenous Services  
10 Wellington Street  
Gatineau, QC K1A 0H4

Dear Minister:

On behalf of the Assembly of First Nations (AFN), I write to you again to urge the Government of Canada to seek a revised mandate to negotiate a Final Agreement regarding the long-term reform of the First Nations Child and Family Services (FNCFS) Program.

As you are aware, the First Nations-in-Assembly provided the AFN with several new mandates on long-term reform by way of resolution in October and December of 2024. These mandates direct a new process for pursuing reform, including a new governance and oversight structure. The resolutions additionally call for extensive engagements, revised negotiation processes, and funding principles to be embedded in the process and revised Draft Agreement. Through these resolutions, we once again call on Canada to obtain a new negotiation mandate aligned with the resolutions, and to provide resources to advance the work.

We also want to be clear that the AFN supports the National Children's Chiefs Commission (NCCC) in its work on advancing the mandates of the First Nations-in-Assembly in relation to negotiating Final Agreements on long-term reform of the FNCFS Program and Jordan's Principle. We therefore also call on Canada to duly consider the NCCC's recent correspondence and take the necessary measures to facilitate the NCCC's critical role in long-term reform, as directed by the Chiefs.

We must continue to collaboratively advance this necessary and critical work for the benefit of First Nations children and families. I trust you remain committed to these efforts and would appreciate an update on the Government of Canada's mandate at your earliest convenience.

Megwetch,

*Woodhouse.*
